

Sacred Healing

Cleansing the energy body of physical weight and pain

Thursday, July 16, 2015

During your session, we will:

- Create lasting changes for physical, mental and emotional well-being
- Cleanse the energy body of imprints that predispose you to negative physical and emotional conditions that boosts energy, vitality and immunity making all your life goals more easily achievable
- Clearing and protecting you from negative influences in this life, past lives and ancestors.
- Aligning your energy with your ideal destiny and offering the tools to achieve it

Dani Burling is a Reiki Master, Theta Healer, Hypnotherapist and Master Shaman to name just a few. She is trained in and teaches the universal techniques of bringing your body, emotions, energy field and life back into balance. Experience a molecular shift that will create healing in every area of your life.
